

## Audrey Prenzel BA, BEd, CARW, CEIC

Ontario

A widely lauded and sought-after Career Transition expert, Audrey has helped capture and promote the marketability of professionals from 30+ countries to secure their ideal job.

With in-depth exposure within a wide variety of sectors, Audrey brings authentic insight and current market knowledge to clients at all levels in all industries. Over the past 20 years, she has delivered end-to-end career transition services along each client's individual journey with strategic advice, compassion and results.

### BUSINESS EXPERIENCE

A Canadian-based industry leader, Audrey is a Certified Advanced ResumeWriter and the only Canadian to receive the TORI award (Toast of the Resume Writing Industry) for Best Military Resume™ and Best Web Resume™ granted by Career Directors International. Numerous nominations have been earned in several categories for this prestigious association; for a while she judged and now she runs the global competition. Audrey is in particularly high demand among police, fire, government, education and military clients; her expertise in these fields is evidenced in her publication *Military to Civvie Street: The Complete Job Transition Guide for those Leaving the RCAF, Army & Navy*. As Canada's first Certified Employment Interview Consultant (CEIC), Audrey boasts a vast repertoire of magazine, newspaper, radio and TV credits. Her writing samples have been included in top-selling resume software programs and international resume writing guides. For 13 years, prior to specializing in Career Transition, Audrey served as a Special Education Resource Teacher, Life Skills Teacher and Provincial Master Math Trainer with accountabilities in curriculum planning and software support.
